Cost Effective Quality

What's Your Experience Modification Factor?
 If you're not below 1.0, its costing you!

Mod Rates.	Base Premium	Insurance Premium
1.15 X	\$250k	= \$287.5K
1.10 X	\$250k	= \$275K
.68 X	\$250k	= \$170K

The CRSC is vital partner in the Mid Atlantic OSHA Training Institute Education Center (MAOTIEC) offering OSHA classes and Industrial and Construction Safety and Health Specialist Certificate Programs. Go to www.chesapeakeesc.org to find out more about these programs.

Testimonials

"Our shop and field employees describe Chesapeake Region Safety Council's representatives as educational without being judgmental, common sense approach to safety and they speak the language."
Stephen J. Harris, Vice President and General Manager

"I got to say bud everything looks Great. You guys nailed it and hit everything perfectly. Just got finished glancing through the entire thing. Looks Great. Thanks Again." "Couldn't be happier with the finished product."
Dominic Pope, Safety Manager, Gaines & Company

"Guys I have one thing to say about the inspection reports, Beautiful!! Very professional and complete nice to have you on board."
Mike Burt, Miles Electric
